## Flex Hour Jobs and Radio Ear Network Partner to bring a Voice to the...

on 13 September 2011.

Flex Hour Jobs Inc. and Radio Ear Network announce a Strategic Partnership of Cross-Innovation Development that will help provide opportunities for thousands of Job Seekers to get answers and resources in their Search for Flexible Hour or Work from Home Jobs

Partnering with Radio Ear Network will give Flex Hour Job Seekers an opportunity to call in and ask questions or make comments on the Job Market.

Retirees with depleted [retirement portfolios](#) are returning to work when they once thought they might be retreating to the sidelines. Mothers of young children and many who are caring for aging parents in their homes are in need of professional employment without the demands of extended hours or long commutes.

Businesses are no longer restricted by geographic locations; they can be run from anywhere, recruit from anywhere, and serve customers almost anywhere. Tools like Skype, smartphones and the internet, along with decreasing prices of mobile devices have enabled companies to build workforces in a non-traditional way. Working from home or telecommuting at least part of the week is fast becoming the norm as many companies seek to decrease the cost of maintaining a traditional office space.

[Flex Hour Jobs Inc.](#) and [Radio Ear Network](#), a division of Amanatee Group LLC, have created a strategic partnership to provide opportunities for Job Seekers across multiple Medias and personal devices. By using cross-innovation both companies will expand the reach of the job seekers with useful information and training which will assist them with their employment searches. Starting in October, with the addition of Flex Hour Jobs Radio, Radio Ear Network will bring Job Seekers useful information and opportunities which will

help them with their employment searches. Listeners will also be able to call in or leave a message with questions on finding jobs or comment on the job sector and how it affects them.

FlexHourJobs.com was founded by Jacqueline Sloboda the mother of a young child and the daughter of a 65 year old forced into retirement. It is a free online [employment job website](#) which posts hundreds of new jobs daily that are part time, flexible in hours, telecommuting or work from home. In a time of desperate need for jobs that are suited towards the demands of Parents/Caregivers to the aging and for Baby Boomers no longer able to retire,

FlexHourJobs.com offers legitimate and screened jobs nationwide in all industries and is rapidly gaining popularity among Job Seekers. FlexHourJobs.com is a member of the International Association of Employment Websites; for more information or to search the site for Flexible Job Opportunities, visit <http://www.FlexHourJobs.com> Subscriptions are free and a service to getting Americans back to Work!

Radio Ear Network, based out of Sarasota, Florida is an innovative I-Radio network, dedicated to providing community as well as global level listeners with ways to change their lives or re-invent themselves by enabled them to access lifestyle and business shows on the go over multiple device access. Visit <http://www.radioearnetwork.com> or tune in on I-Tunes under talk and news radio AIR1 Radio Ear Network.
